

4" ADJUSTABLE LED DOWNLIGHT RETROFIT

L5/9-DL4-27/50-D-ADJ

OVERVIEW

Simply Conserve's field-adjustable downlight retrofit includes two switches on the unit which allow for adjustment of the input power and color temperature. This downlight allows for easy installation in new construction, remodel, and retrofit projects. Its 90+ CRI and frosted lens allow for true color rendering to bring out vivid colors and glare-free lighting, making it ideal for both residential and commercial applications.
