Sava Spa™ Showerhead

N2515CH
N2517CH
N2517BN-M

OVERVIEW

As its name suggests, the Sava Spa™ Showerhead immerses you in comfort and savings for beginning or unwinding your day. The luxurious 4.4-inch diameter, 54-nozzel spray face delivers ultra-wide coverage, while its patented Equiforce® Technology provides uniform flows and high-pressure sprays—even in lower pressure homes. It's constructed with premium, corrosion-resistant materials, rub-clean nozzles, and a 360° rotational metal ball joint, to ensure long-term reliability and satisfaction.

FEATURES

- **Luxurious Showers**
  Experience a premium, 4.4-inch diameter, 54-nozzle spray face that pampers you with warm, soothing, and great-feeling showers.
- **Equiforce® Technology**
  Our patented flow enhancement technology ensures a satisfying shower experience by delivering uniform flow, high-pressure sprays, and broad coverage—even in homes with lower water pressure.
- **More Hot Water & Lower Bills**
  This showerhead does double duty by providing enjoyable showers that save both water and the energy used to heat it. It means more hot water, lower utility bills, or a little bit of both.
- **Quality Craftsmanship**
  Featuring a corrosion-resistant body, metal ball joint with 360° rotational adjustment, and rub-clean spray nozzles, the Sava Spa™ comes complete with a 10-year warranty.
